

# Tip Lift: LD1-3

**Smooth, Safe, Efficient**

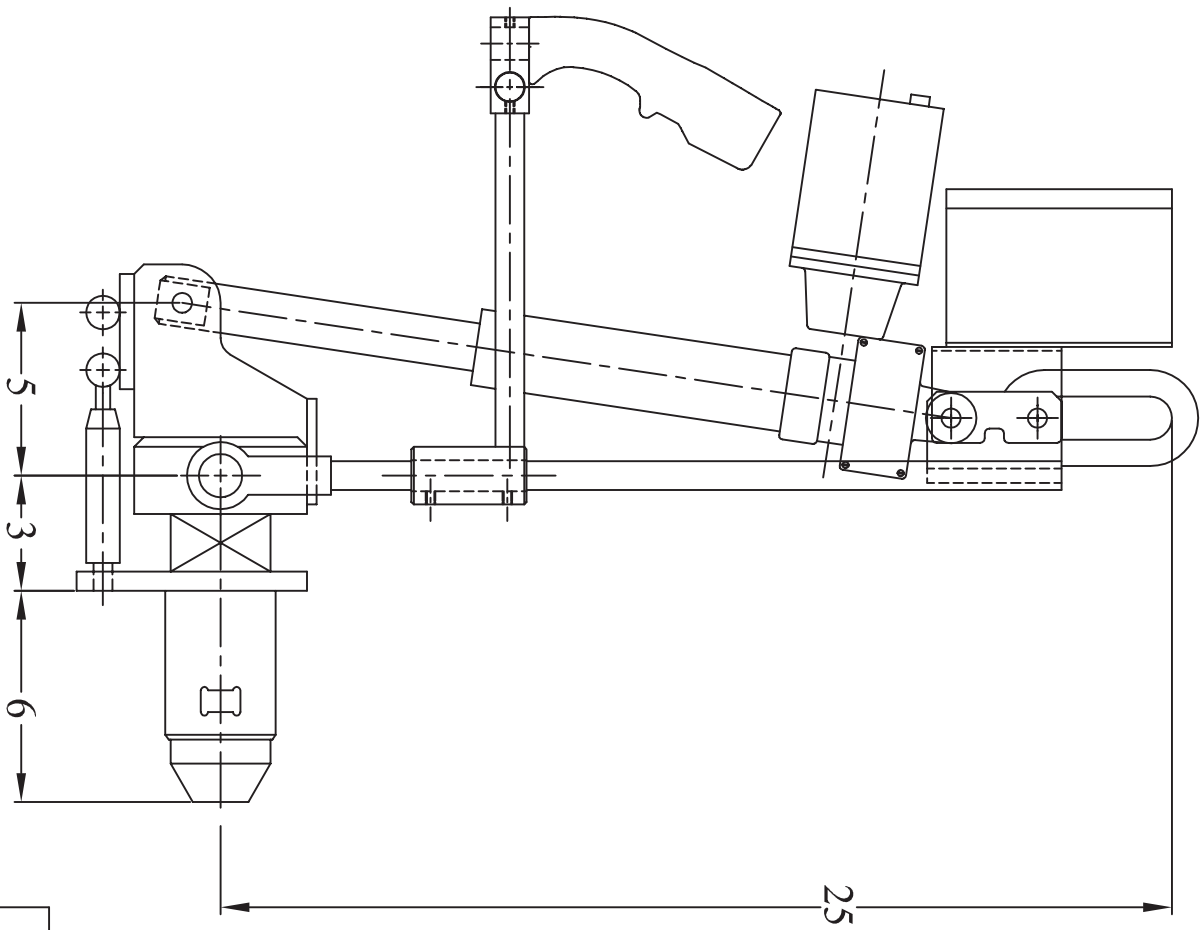

The Tilt-Lock model LD1-3 Tip Lift is designed to handle light rolls of paper up to 340 lbs. The lightweight model utilizes ergonomically designed handles and controls featuring interlocking safety switches. The LD1 is equipped with a short probe and manual tooth release. This unit is perfect for handling small rolls in areas with low headroom.

#### Features:

- Light-weight at 67 lbs.
- Interlocking switches requiring both hands on handles for operation
- Fuse / power control
- Adjustable ergonomic handles
- Manual tooth release
- Short probe
- Power: 115 / 1 / 60 5.5 amps
- Controls are dual interlock, hoist up, hoist down, tip up and tip down
